U.S. Marine Corps Reserve Toys for Tots Golf Tournament

Volusia County Toys for Tots Campaign kickoff

DAYTONA BEACH, FL (All of Volusia County) – On October 1, 2016, the U.S. Marine Corps Reserve Toys for Tots Foundation will be hosting their first Golf tournament at the beautifully established LPGA International. This event will kick start the Volusia County Toys for Tots Campaign. This will definitely be an event you wouldn't want to miss! With so many exciting components involved during the Golf Tournament, we certainly want to highlight that, there will be amazing awards and giveaways, free beer on course at a selected area, as well as, morning refreshments and lunch provided after play. These are just to name a few perks. In addition to the excitement of this event, there's another part to this puzzle that makes it totally complete- honoring our dear friend and Marine, SSgt. John Bone, who passed away during last year's Toys for Tots campaign, while volunteering. He was a proud participant, activist and supporter of the Volusia County Toys for Tots. So we honor him with this event.

The mission of the Marine Corps Reserve Toys for Tots program, "to collect new, unwrapped toys during October, November and December each year, and distribute those toys as Christmas gifts to less fortunate children." Volusia County Toys for Tots volunteers are determined to carry-out the mission with excellence. Last year, 2015, we collected over seven thousand toys from local campaigns and raised over five thousand dollars from events hosted. This year we truly want to double numbers and we believe we can make that happen. With this being said, we are seeking the support of individuals, businesses, community leaders, media influencers and more, to help us kick this first campaign event off to a great start, which will surely catapult our Toys for Tots to the next phase. Our goal is gaining support of many, in effort to impact thousands of young lives this holiday. Let's kick this campaign off with a bang!
